November 13, 2024

Certificate of Participation

This is to confirm that Mr. Edafe Maxwell Damatie (Manchester Metropolitan University, United Kingdom) has participated in the 11th IEEE International Symposium on Networks, Computers and Communications (ISNCC 2024) held in Washington DC, USA during the period of October 22 to 25, 2024.

Mr. Edafe Maxwell Damatie is the author of the paper: “*Real-Time Email Phishing Detection Using a Custom DistilBERT Model*” (ID # 1571082439), that has been accepted, upon peer-review, for oral presentation in the 2024 International Symposium on Networks, Computers and Communications (ISNCC 2024) The conference took place at the “University of the District of Columbia” in Washington DC, USA, on October 22 to 25, 2024 (<https://www.isncc-conf.org/>).

ISNCC 2024 is technically co-sponsored by IEEE and IEEE Communications Society. The IEEE is an educational, non-profit organization, and is the world’s largest and oldest professional association of computer and communications scientists and engineers.

Sincerely,

A handwritten signature in black ink, appearing to read "Thabet Kacem", with a long horizontal flourish underneath.

Dr. Thabet Kacem
General Chair of ISNCC 2024 Conference
